Sir:

In response to the "Notification of Missing Requirements...." Notice mailed by the PTO on October 26, 2005 (copy enclosed) Applicants submit herewith a correct copy of the translation of the International application into English.

It is noted that the only difference between the originally-submitted translation and the corrected translation submitted herewith is that, in the original submission, the wording of claim 5 was duplicated in claim 6 to eliminate the original multiple dependency which existed in claim 5. Accordingly, a Preliminary Amendment is also being submitted herewith in order to correctly effect the intended change.

Further processing of the instant National Stage Entry application is respectfully requested.

Respectfully submitted,

Richard C. Turner
